

EXPRESSIONS OF INTEREST ARE NOW OPEN FOR REMUNERATED DISABILITY ROYAL COMMISSION CONSUMER CONSULTATION.

This is your opportunity as consumers to so speak up about Guardianship Orders, Supported Decision Making, and Hearings

We are looking to hear from people who have had previous experiences of guardianship arrangements and substituted decision-making.

We will be making a submission to the Disability Royal Commission that responds to their Public Hearing in May 2022: Lived Experience of People with Disability Subject to Guardianship Arrangements and Substituted Decision Making, and want to ensure that lived experience voices are represented in these discussions.

Due to recently announced deadlines, these consultations will be taking place on Tuesday the 22nd of February 2022 at 4:30pm.

To get involved or to find out more contact reception@vmiac.org.au, with the subject DRC Consultation, and leave your name and email address. Numbers are limited, so please contact us as soon as possible.
