VMIAC

by and for consumers

THIS IS YOUR OPPORTUNITY AS CONSUMERS TO SPEAK UP ABOUT PAST EXPERIENCES OF GUARDIANSHIP ORDERS AND SUBSTITUTED / SUPPORTED DECISION MAKING

Expressions of interest are now open for our paid Disability Royal Commission Consumer Consultations.

We will be making a submission to the Disability Royal Commission that responds to their Public Hearing in May 2022: Lived Experience of People with Disability Subject to Guardianship Arrangements and Substituted Decision Making, and want to ensure that lived experience voices are represented in these discussions. To ensure your safety, everything shared will be de-identified..

Due to recently announced deadlines, these consultations will be taking place on Tuesday the 22nd of February 2022 at 4:30pm.

To get involved or to find out more contact reception@vmiac.org.au, with the subject DRC Consultation, and leave your name and email address. We also have limited spaces available for one-on-one interviews with people who would feel more comfortable communicating in this way. Numbers are limited, so please contact us as soon as possible.
