Membership at VMIAC

VMIAC is a lived/living experience organisation - we help to make sure consumer voices are heard. Our members play an integral role in the work we do by letting us know what they think and guiding our governance. Members are able to access a number of benefits including:

- Priority access to information about jobs and opportunities
- Updates on news and issues affecting us
- Invitations to VMIAC events, talks, and training
- Opportunities to participate in research and have your say on policy
- The right to vote at Annual General Meetings and opportunities to be part of our Committee of Management.
